SARPACEN®

SARACEN: HIGH PERFORMANCE PIONEERING

At Saracen we've always prided ourselves on our ability to react to the latest trends and technologies as they happen. That way you can be assured of riding a state of the art Saracen while other bigger companies are still pushing pens around their drawing boards.

For 2005 we've expanded our road and leisure line up in both scope and depth, with upgraded performance throughout our existing lines plus two whole new ranges. Whether you want the sleek road speed but comfortable efficient performance of our venturer hybrids, or the slowway congestion dodging ability of our new folder, there's now something for every rider.

More than ever we've concentrated on performance rather than price too. So while Saracen will always represent great value our 05 bikes are better designed, better equipped and better to ride than ever.

Want something more off road than on? Ask your dealer for the separate catalogue featuring our superb 2005 mountain bike range.

Our road racing range has been a massive success in recent years and we've upped the ante even further for the 2005 season. Our 6 bike range now includes a perfect bike for everyone from the classic club ride/race design of the £300 Tour, to the 20 speed Ultegra equipped, semi carbon framed Galibier at £1500.

Brand new compact geometry frames with custom butted and fully shaped tubing are enhanced with carbon forks on the top four models to give a super responsive, featherweight ride. Top quality equipment from Shimano, Campagnolo, ITM, Schwalbe, Gipiemme and Truvativ ensures performance that'll keep them - and you - way ahead of the competition as soon as you hit the road.

ROAD

PACE

Galibier

£1,500

- **FRAME** Butted super lightweight aluminium pro-race frame. Profiled tubes and semi compact geometry
- **FORK** ITM Millennium FULL Carbon fibre fork
- **GEAR SYSTEM** 20 speed Shimano Ultegra complete groupset

- **SADDLE** Saracen race saddle with multi stitch cover

£300

ROAD SPORT

Two bikes, one simple idea. All the speed of our fastest road bikes, with the comfortable all round riding position of our hybrids. Profiled compact aluminium frames with top quality road race tyres and wide ratio performance gearing deliver unlimited speed. Mountain bike style flat handlebars, fingertip trigger shifts and gel grips guarantee easy control and day long comfort up town or down dale. The top line Helix even gets an ultra smooth carbon fibre fork for a featherweight silk road ride.

Riding for fitness, freedom or just for the fun of it – gain doesn't have to mean pain anymore.

HELI

£450

- **FRAME** Lightweight aluminium road based hybrid

SPORTS

HYBRID

A complete new range for 2005, our four Venture bikes are designed to provide effortless speed for those on the go. Sleek aluminum frames, full size road wheels and wide ratio Shimano gears guarantee the miles will fly by in a flash. The Venture 2 and 3 even feature lightweight

suspension forks and sprung seatposts for the ultimate in comfort and control wherever you're heading.

Zooming through traffic, riding for fitness or exploring country lanes and bike paths on your weekends, a Venture is your perfect pedaling partner.

SPORTS HYBRID 15

Venture 4

£500

- **FRAME** High level lightweight aluminium sports hybrid. All mounts for mudguards, racks and disc brakes are included

- **WHEELSET** Double wall aluminium rims with multi-surface tyres
- **BRAKES** V type brakes for simple reliable stopping
- **CRANKSET** SR-Suntour with protection guard on a cartridge bearing bottom bracket for safe and reliable shifting and a long life

TREKKING HYBRID

Our Trekking and Leisure hybrids are another quartet of truly all purpose bikes. You'll feel instantly comfortable thanks to the easily adjustable back friendly upright riding position and our ladies models also have a lowered frame for easy dismounting. Lightweight aluminum frames make them a breeze to pedal, while suspension forks and sprung seat posts on the top two bikes will glide smoothly over potholes or lumpy trails.

All bikes also feature legendary smooth and reliable Shimano gears in 3 speed hub or multi gear trigger shift versions, while pannier racks and full mudguards make them equally perfect for nipping down the shops or heading out of town with a picnic.

£225

The ultimate in rapid urban transport or pack away convenience folding bikes make more sense than ever these days. Forget about congestion charges, filthy bike sheds or falling over your bike at home. The Compact tucks easily into a tiny package that can be stashed on the tube, train, lift, under the stairs or even in a car boot but flicked open in seconds for a speedy getaway.

Lightweight alloy frame means effortless carrying, full mudguards keep work clothes clean and decent size 20" wheels take potholes and kerbs in their stride. Add super reliable 6 speed Shimano gears, powerful V brakes, one size fits all convenience plus an optional rear rack and bag for your laptop or lunchbox and kiss the gridlock goodbye.

BICYCLE WARRANTY

Saracen Cycles Ltd warrants the replacement of original components of Saracen Bikes due to defects in material and/or workmanship according to the following conditions and limitations: Steel frames and forks are warranted for a period of 5 years. Aluminium frames and Full Suspension frames are warranted for a period of 2 years. Suspension forks and rear suspension units are warranted for a period of 1 year. The original components, other than the frame and forks, are warranted for a period of 1 year (labour and transportation charges are not included).

The warranty does not cover damage or failure due to abuse, neglect, accident, improper re-assembly, lack of maintenance, commercial hiring, normal wear and

tear or installation of parts or accessories not originally intended for or incompatible with the bicycle as sold, racing, stunt riding, free-tyling or similar activities or training for such activities.

Saracen Cycles Ltd shall not be responsible for accidental or consequential damage or loss. The user assumes the risk for any and all personal injury or damage of the bicycle, or other losses if Saracen bicycles are used at any time in any competitive event (including bicycle racing, dirt biking, freestyle or similar activities or training for such activities).

Saracen Cycles' policy is one of continuous improvement, therefore specification may be changed, without prior notice.

Mountain bikes, although tough, are not indestructible. Excessively rough use may result in damage to your machine or you - take care and always use an approved helmet. Optimum riding performance depends upon having your bike serviced regularly at your Saracen dealer.

All other products supplied by Saracen Cycles Ltd and not covered by the above are warranted for a period of 1 year from date of purchase against faulty manufacture.

This warranty is limited to the original retail purchaser only and proof of purchase is required to validate this warranty.

All claims must be made through an authorised dealer.

All riders in this brochure are professionals or experts. Much of the action depicted in this brochure is dangerous.... Do not exceed your abilities!
