IMAGES DE CHEZ NOUS - Le Col du Pré

Dear Jo

Why can't you draw hills this big? **BIG** weather **BIG** sky and **BIG** descents. What we call hills they call "les PIMPLES". O'Nagh wants some Biongy forks FOR the rocky down bits + I want half my brain removed so I can go down them dead fast - not just dead. No choc. chip muffins so we're making do with chocolate CROISSANTS (10 a day so far) Hope the T-shirts are doing well. **AINE** life tough,
